Re: *Park et al v. Hanpool, Inc. et al*
Case No. 23-cv-11309-SLC

Your Honor:

This office represents Plaintiffs in the above-referenced matter. We write to respectfully request a brief extension of the deadline to submit the settlement materials, currently due on April 21, 2025. This is the second request for an extension, the first having been granted on April 4, 2025.

The additional time is necessary to address certain outstanding issues concerning the participation of two opt-in Plaintiffs—Daniel Ajcojon and Juan Pablo Angamarca Espinoza—before finalizing the settlement submission. We are working diligently to resolve these issues and prepare any necessary motion in connection therewith.

Defendants consent to this request. If granted, the extension would not affect any other deadlines in this matter. Accordingly, the parties respectfully request that the deadline to submit the settlement materials be extended to May 1, 2025.

The parties thank the Court for its attention to this matter.
